### A Large Line of Beauty Aids

Every woman wants to be as attractive as possible. And it's perfectly right that she should be.

Actresses are more envied and admired, perhaps, than any other class of women. Yet they are not always the most beautiful.

They attribute their charms in a measure to the regular use of good creams, lotions, etc.

We have a line of the latest and most effective beauty aids, perfumes, etc., to please the most exacting.
